

## Webinar

### Applying to Eurostars - what to consider when writing a proposal

Friday 04 July 2025, 10.00 – 12.00 CET

MS Teams Webinar

European Partnership on Innovative SMEs national funding agencies welcomes innovative small and medium enterprises, universities, research institutions and large enterprises to participate in the webinar “Applying to Eurostars - what to consider when writing a proposal”.

Eurostars is one of the activities implemented by European Partnership on Innovative SMEs with a focus on innovative small and medium enterprises, who want to develop their product, technology or services with a commercial purpose through international cooperation projects.

Webinar is aimed at helping applicants to write Eurostars proposals, focusing on main points, that evaluators are looking in proposals, and common mistakes made by past applicants.
