

“Competitive Proposals and Success Stories in Cluster 5 - Widening Countries”

Online Training

13 January 2026 | 10:00-13:00
Online via Teams¹

Register [here](#) by 10 January 2026

This training is designed back-to-back with the **Horizon Europe Brokerage Event 2026 Cluster 5** and aims to support potential participants in Cluster 5 calls from Widening Countries, though everyone interested is welcome to join.

The session will introduce Cluster 5, providing an overview of its thematic priorities, objectives, and funding opportunities, with a focus on participation for Widening Countries. Participants will also learn about the **GREENET** and **NCP_WIDERA.NET** networks, which connect NCPs across Europe, fostering collaboration and knowledge exchange.

Practical guidance on proposal writing will be provided, including tips, tricks, and tools to improve clarity, structure, and competitiveness.

The session will conclude with inspiring success stories from Widening Countries, highlighting effective strategies and lessons learned for successful participation in Climate, Energy & Mobility cluster.

For any questions or further information, please contact us at **wideranet@apre.it**.

¹ The Teams invitation will be sent to the participants the day before the event.
