## Participation in Horizon Europe

- 82 ongoing project in HEU and 46 636 013€
- 2 Teamings (last year)
- 6 ERC-s within 2 years

### R&D contracts value

Service contracts  Grant agreements

## Challenges with MSCA-PF

- Until recently we didn't prioritize MSCA
- General low success rate in MSCA
- We're not very well known and can't change geographical location

### Horizon Europe

- 2 postdoctoral fellowships
- 3 doctoral networks
- 1 staff exchange

## Solutions

Systematic approach has been successful in ERC. Using similar approach in MSCA-PF:

- Early start
- Can't have too much communication
- Seal of Excellence
- Support for supervisors
  - Bonus in case of successful MSCA-PF application
- Support for postdocs
  - Seminars
  - Information days
  - Advertising
  - Proposal writing
  - Project Management
