

MINISTRY
OF EDUCATION AND
SCIENCE OF UKRAINE

The Ministry of Education and Science of Ukraine is taking a significant step forward by involving international experts in assessing the research output of Ukrainian universities and research institutions.

Ukraine urgently needs to ensure impartial and objective evaluations of its research system. Leveraging the expertise of international reviewers can guarantee assessments are conducted at the highest international standards. This engagement ensures transparency and fosters the advancement of Ukraine's research ecosystem.

Your support in disseminating this information among your colleagues and fellow scientists would be precious. Together, we can enhance the visibility and credibility of Ukrainian research on the global stage.

By registering with our electronic system, scientists worldwide can join the pool of international experts who could assist the Ministry of Education and Science of Ukraine in evaluating the research performance of various Ukrainian academic institutions and universities. Your expert advice is extremely valuable for us, especially in the present circumstances of full-scale Russian aggression.
